We Use what is called a Uni-Level - Three Level Pay Plan. We feel this is the simplest pay plan that anyone can easily understand and at the same time it provides unlimited leverage from other people's efforts that can Earn You a Fortune.

Here is how it works:

Everyone You refer, no matter How or How many will, make up your 1st Level. You Earn \$1,000 to \$2,000 for each of these people. If this program went no further than this it would be worth your involvement. Heck, Imagine if you were to refer only 100 people in your spare-time, you're talking \$100,000 Every Year Residually. This Beats doing anything else !

But the True Earning Power of our Wonderful System is in the leverage of other peoples efforts, Check This Out !

Everyone your 1st Level people refer, no matter how many, will make up your 2nd Level, You Earn \$250 to \$1,000 Each. Everyone your 2nd Level people refer, no matter how many, will make up your 3rd Level, You Earn \$250 to \$1,000 Each.

The earning potential is Mind Boggling. Here are just a few examples of the Power of this Pay Plan. *These are Examples for illustration purposes only, showing the potential with everyone purchasing and referring the \$5,000 two year subscription and not a guarantee of income.* Keep in mind, some people will get involved and not do anything, others will put in hundreds if not thousands of people because of the high dollar return and leverage, and that it is ALL Residual !

\$42,000 Every 2 Years If you refer 3 people and they each did the same on Levels 2 & 3.

\$160,000 Every 2 Years If you refer 5 people and they each did the same on Levels 2 & 3.

\$1,120,000 Every 2 Years If you refer 10 people and they each did the same on Levels 2 & 3.

Just imagine if everyone referred 20, 30, 50, 100! Do the Math! *These are Examples for illustration purposes only and not a guarantee of income. What else are you doing that has the same Earning Potential ?*

We sell two subscriptions. Every Subscriber will be promoting both subscriptions at the same time on their website. A One Year Subscription is \$2,000 & a Two Year Subscription is \$5,000. If you purchase the One Year Subscription you will still earn \$1,000 for any referrals you make that purchase the Two Year Subscription and every time they renew. And you will remain on their One Year Subscription Application only until if and when you upgrade to the Two Year Subscription. Then you would be on Both their One and Two Year Applications on their Website.
